

FISCAL NOTE

HB 1402 - SB 1735

February 26, 2003

SUMMARY OF BILL: Allows a citizen 14 days to inspect requested public records. The agency serving as custodian of the requested records notifies the citizen that such records are available for inspection beginning on a specific date. If the citizen fails to inspect the requested records within the fourteen-day period, then the agency is not required to produce the same records for a subsequent inspection request from the same citizen.

ESTIMATED FISCAL IMPACT:

State Expenditures - Net Impact - Not Significant

Estimate assumes any impact would be not significant for 1) any savings from not having to produce records numerous times or 2) any additional expenditures from keeping account of requests for public records.
